

# Nishant Khadka

## Frontend Developer

Date of birth: 12/10/1998 | Place of birth: Nepal |  
Nationality: Nepalese | Phone: (+356) 99111070  
(Mobile) | Email address: khadkan73@gmail.com  
| Work permit: Malta | Whatsapp-Messenger:  
99111070 | github.com/sameiAdhikari | Malta  
(Originally from Nepal)

## Profile Summary

I am a motivated Frontend Developer with some experience building responsive and user-friendly web applications using React, JavaScript, HTML, CSS, and Supabase. Previously I prepare some customer-focused app, developing excellent teamwork, problem-solving, and communication skills. I eager to contribute to a development team and grow into a full-stack developer role.

## Technical Skills

• Frontend: HTML5, CSS3, JavaScript (ES6+), React, Tailwind CSS • Backend & Tools: Supabase (BaaS), Git & GitHub • Other Skills: Responsive Design, State Management (Redux), UI/UX basics

## Projects

📁 Hamro Property (Real Estate Web App) current project

Developed an interactive property listing platform using Next.js, React, Redux, and Supabase. Implemented dynamic filters, pagination, and responsive UI using Tailwind CSS. Used Supabase for data storage, authentication, and API integration.

📁 E-commerce Product Display (React)

<https://ecommerce-mu-blush-34.vercel.app>

Built a dynamic product catalog with multiple images per product. Designed clean product cards with filtering and sorting functionalities. This application use Supabase for data storage, authentication, and API integration.

📁 The wild-oasis hotel websites (React)

<https://the-wild-oasis-website-henna-nine.vercel.app>

📁 The wild-oasis hotel admin panel (JavaScript)

📁 <https://samie.vercel.app/login>

## Education

Self-Taught, Udemy Online Course – Web Development with React  
Covered HTML, CSS, JavaScript, React, Tailwind, and Redux  
+2 Science (High School) – Nepal

## Professional Experience

📁 Barista — James Bakes and Cakes, Malta (2023 – Present)

- Delivered excellent customer service in a fast-paced environment.
- Maintained high attention to detail and consistency under pressure.
